

# INCIDENT INVESTIGATION

This one day training program is relevant to managers and supervisors who have a responsibility to report and investigate incidents within their departments

## COURSE OUTLINE

This course covers the legislative requirements for reporting and notifying workplace incidents. It also provides an understanding of incident causation, the processes to investigate, interview staff and develop a report which identifies the casual factors. The course is a practical workshop based on true incidents that resulted in serious or fatal injuries

## COURSE TIMING & COST

1 day (8 Hour) training course

\$1900 + Notes and GST

Maximum of 16 persons per session

\*travel costs may apply outside of the Gold Coast

## DRA SAFETY SPECIALISTS

(07) 5573 6199
